SPRING 2021

God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another.

I Peter 4:10

What does the Bible say about Spring? This season is a time of warming weather and nature coming back to life. As flowers bloom and animals are born, we are reminded of the innocence and beauty that exists in this world and that there is new life all around us. As a Christian, we are given new life and new mercies every morning. Spring provides a wonderful reminder to us that we should be living a full life and leaving the old dead parts of life behind. There is always hope during the coldest, darkest winters of life. Spring will come and new life will come forth!
