From Jim's Desk: A Busy Summer Ahead!

Well, it was a busy winter that turned into a busy spring that is turning into a busy summer! We have continued to have full weekend retreat bookings—from ladies' retreats, to youth group events, to men's outings. It's always neat getting to be a part

of so many different ministries across Northeast Ohio and watching God move in campers' lives while they are here!

We have several things coming up that we hope you will be a part of as we enter the summer months. Our Summer Reunion

on May 24th, CSB and CCO summer camps throughout the summer, and our annual Labor Day Family Camp Weekend in August are bound to be great memory-makers. We really hope that you join us!

For His glory,
Jim

Summer Reunion

On Saturday, May 24th, from 2-6:30pm, we hope you'll join us at our upcoming Summer Reunion. Special guests include former camp families and program leaders—and, most importantly, you! We'll have hikes to the glen, tours of new and updated camp buildings, hayrides, volleyball, gaga, dodgeball, and so much more. This free all-day picnic and silent auction will give you all the more reason to bring yourself, your family, and a friend to spend a day celebrating Stony Glen's legacy. RSVPs are not required, but since it would help us plan, please shoot us an email (info@stonyglencamp.org), give us a phone call (440-298-3264), join our Facebook event page so we know you'll be here!

Labor Day Family Camp: Save the Date!

This year's Labor Day Family Camp Weekend is all set for Friday, August 29th-Monday, September 1st! We will have registration forms coming soon, but please put the date on your calendar so you don't miss this special family camping trip weekend.

The Philippians Building Update

We are excited to announce that we broke ground for the Philippians building in mid-April as soon as the spring thaw began! Built in loving memory of a dedicated pastor, husband, father, and past Stony Glen board member, this building will be located where the old camp store was and will feature a much needed space for teaching, prayer, and worship. It will also house the new camp store.

Thanks to a hearty crew of volunteers and big rig equipment and operation from Gallion Excavation, we moved the old candy store to its temporary summer location. Then we cleared the pad site for the new building. Our next steps will be to dig and pour footers, lay block, pour concrete, frame the building, and then on to completion!
