MAY 2018

Everything happens for a reason. That reason causes change. Sometimes the change is hard. But in the end its all for the best.

If you would like to make a donation to the lake-front renovation please do so via www.stonyglencamp.org/donate-serve/donations or make check out to Stony Glen Camp and send to 5300 West Loveland Rd. Madison, OH

The Welcome Center is still in the preliminary stages and a set time of when this project will get underway is still to be determined. We want to thank those that have and continue to give towards this project.

Scooter's Lookout

Stony Glen has long wanted to build a pavilion by the lake so that groups can enjoy the beauty of the water no matter the weather. The Shannon family has offered to fund the construction of a pavilion and name it "Scooter's Lookout" in loving memory of Pat "Scooter" Shannon (February 27, 1941-September 27, 2016)

Pat "Scooter" Shannon's love for Christ and camp motivated her to watch over the physical and spiritual lives of campers and staff; teaching us to swim in still waters of this lake and to step out in faith onto the deeper waters of life with eyes fixed on Jesus.

Stony Glen is delighted with the offer but before we are able to build the pavilion, we must take care of necessary maintenance to protect the swim area beach with a much needed new retaining wall. We ask that you all consider a one time tax-deductible donation to Stony Glen Camp for the retaining wall so we will be able to get this project under way this September. Thank you in advance for contributing to this project.
