Lazy Days of Summer...

Somehow I don't think lazy and camp go hand in hand, as there seems to always be something to do. Needless to say our slow season has been anything but slow. Jim and Dave have again spent many hours working on the septic trying to get it all figured out along with maintaining the grounds, vehicles, making sure we have enough water for summer camps and tending to the needs of boys and girls camp. There is never a dull moment in camping!

Christian Service Brigade

We served nearly 420 campers this season. As far as I can tell, that is more campers in one year than we have served in more than 20 years! This is a testament to the Lord's blessing on the mission of Ohio Valley CSB Ministries, the regional leadership team, and your support and involvement. **THANK YOU SO MUCH!**

More campers, means more opportunity for spiritual impact. After all, that IS what IT is all about in the end. We had around 52 campers go forward during Friday night campfire at Battalion Camp! We had more that 55 go forward at Friday night campfire during Stockade camp! In total, we had decision cards turned in representing 7 first-time salvation decisions, 40 rededication decisions, and 27 for campers responding to special spiritual needs. Some of these decisions may not bear fruit, while other important decisions were made without documentation. However, we can see through these responses that God was at work and your partnership in this great ministry is accomplishing much.

Cedarbrook Camp of Ohio

Cedarbrook Camp of Ohio @Stony Glen had an awesome summer camping experience. Over four weeks, we had several campers give their lives to Jesus and many others rededicate their lives to Christ. This year marked our 70th anniversary of camping ministry and we had about 150 former staff and campers come to celebrate and reconnect the Saturday before we started our first week of camp.

Our Mother/Daughter program was a success as we had 14 groups come in for ½ a week to experience camp with their daughters.

We are thankful for our partnership with Stony Glen which enabled us to serve over 360 campers this summer. Praise God for the lives changed and the opportunity to serve Him at camp.

Boys camp had the largest attendance ever with 89 young men. God provided enough men to serve and minister to the full camp.
